Number 5.

The crop of weddings is unusually large this fall.

The Circuit Court will meet on Monday with a pretty full docket.

A young gentleman of this city will shortly wed a young lady in Augusta, Georgia.

Mr. Silas Told, of Vevay, Indiana, has located here and will shortly establish a coal yard in this city.

At the sale of Mr. Jos. Staten on Saturday cows sold exceedingly low, but horse stock brought moderately good prices.

Mr. Jas. K. O'Hara sold on Wednesday his interest in the farm of his late father to his brother-in-law, Mr. W. T. Samuels, of Elizabethtown, for \$1,500 cash.

Mrs. Bettie Monroe, widow of the late James Monroe and sister of Mr. John M. Pendleton, died at her home in South Frankfort yesterday morning, after a lingering illness.

Mr. Napoleon B. Smith is announced in this issue as a candidate for reelection to the office of County Clerk. He has made a first rate officer, and seeks an endorsement at the hands of his party.

Judge W. H. Sneed purchased on Tuesday from Mrs. Lettie Jett her residence on the corner of Shelby and Todd streets, South Frankfort, known as St. Elmo. Possession to be given about the first of November.

The C. & O. train from Washington City, which should have reached here Tuesday afternoon at 5:10 did not get in until Wednesday afternoon, and then attached to the 2:00 p. m. passenger train from Lexington.

The Frankfort Manerchor gave its first entertainment Thursday night at Weitzel Hall. It proved a perfect success and will contribute greatly to the enjoyment during the winter months. It has been organized only a few months, but under the able management of its officers, has made fine progress as a musical society, Prof. Wayland Graham, Musical Director.

In our report of the score at the match shot at Shelbyville between the Spring Hill and Shelbyville Gun Clubs, the types made us state the score of Mr. Robt. Pepper, Jr., at 14 out of a possible 25. This was error, Mr. Pepper, who stands in the front rank of the Spring Hill Club as a fine shot, broke 19 out of 25 at the match.

Capt. H. I. Todd, who has had charge of the work of clearing out the channel of the Kentucky between Irvine and Beattyville the past summer, returned to this city Tuesday, accompanied by his son, Mr. H. I. Todd, Jr. They report the river clear of all obstructions from Irvine to within four miles of Beattyville, and a force of hands is at work finishing that up.

Quite an interesting race took place on Col. R. P. Pepper's track, near this city, on Wednesday of last week, for a purse of \$25. The distance was half a mile, and there were but two entries, viz: Mr. W. B. Onan's black mare, Miss Annie, and Col. R. P. Pepper's bay gelding. The mare won, the track being very heavy and the time slow—1:00. The race will be run over in a week or ten days.

Louisville Presbytery (Southern Assembly) will convene Monday night in South Frankfort at 7:30 o'clock, opened with sermon by Rev. S. F. Taylor, the retiring moderator.

The Presbytery will be in session all day Tuesday and Tuesday night, special services at 11 a. m. and 7 p. m. A sermon is expected from Dr. C. R. Hemphill and a lesson on the Holy Land by Dr. Rob. Morris. Public cordially invited to attend.

The remains of Mrs. Mary Stappenhorst, who died in Louisville on Saturday, were brought to this city Sunday for interment. The funeral took place from the Catholic Church at 8 o'clock in the afternoon. The deceased was raised in this city, and was a sister of Mr. Thomas Burns.

The members of the congregation of Pleasant Hill Christian Church are requested to meet at their house of worship, near Peak's Mill, on the fourth Lord's day in October for the purpose of calling a pastor.

J. C. JACKSON, ELDER.

City Tax-Payers.

Your taxes for the year 1885 are due and must be paid by the first of November, or I will certainly levy on the property, and sell it to satisfy the same. I cannot wait longer, so come up to the City Clerk's office and settle. I am there most of the day.

J. M. STEPHENS,
M. C. F.

To the Democratic Voters of Franklin County.

Having determined to remove from this State it will be impracticable for me to continue my candidacy for the office of Assessor.

Thanking my friends for their support and encouragement thus far, I humbly withdraw my name from the list of candidates.

Respectfully,
J. K. O'HARA.

A Card.

El. Roundabout.

DEAR SIR: Please announce in the columns of your paper that I am no longer a candidate for Clerk of the County Court.

My business is such that I have no time to make a personal canvass, and consequently I retire from the field hoping the best man may win.

Yours, &c.,
LEE A. OWEN.

Cancer Conquered.

For seven years past I have been suffering with a cancer on my face. At first it gave me but little trouble, and I paid very little attention to it. After a time it began to increase in size, and also to pain me. The simple remedies were applied to alleviate the pain, but I was not conscious of its true nature, thinking it only a sore of malignant nature, and would soon pass away under the other treatment. In this I was mistaken, as the place continued to grow, extending into my nose, from which came a yellowish discharge very offensive in character. It was also inflamed, and annoyed me a great deal. About eight months ago I was in Atlanta, at the house of a friend, Mrs. C. H. D., who observed the condition of my face and so strongly recommended the use of Swift's Specific that I determined to make an effort to procure it. In this I was successful, and began its use. The influence of the medicine at first was to aggravate the sore; but soon the inflammation was allayed, and I began to improve after the first few bottles. My general health has greatly improved; I am stronger, and am able to do any kind of work. The cancer on my face began to decrease and the ulcer to heal, until there is not a vestige of it left—only a little scar marks the place where it had been. I am devoutly grateful for this wonderful relief from what everybody thought would be certain death. I am ready to answer all questions relative to this cure.

Health, Wealth and Happiness

Are more intimately connected with a sound mind and good condition of the blood than most people suppose. Thin blood means weakness, languor and misery. A dyspeptic's stomach means all the horrors you can think of. Brown's Iron Bitters means enriched blood, good digestion, healthy appetite, sweet sleep and vigorous strength. Mr. Henry Hallian, South 17th street, St. Louis, says, "Brown's Iron Bitters relieved me of dyspepsia, purified my blood, and gave me an appetite." Thousands of others testify in the same way.

The Increase of Insanity.

Boston supports 800 insane, says Mr. T. B. Sanborn, not 75 of whom will recover.

This is frightful! Insanity has increased 40 per cent. in a decade and most of the cases are incurable. Whatever the individual cause may be, the fact remains that Uric Acid blood sets the brain on fire, destroys its tissues, and then comes some form of fatal lunacy.

Nothing is so pitiable as a mind diseased. Most brain troubles begin in the stomach; then if the blood is filled with uric acid, caused by failure of kidney action, and the consequent destruction of blood life—albumen—you have the fuel and the flame and a brain in full blaze, as when one raves, or in slow combustion in its milder form of insanity. Rev. E. D. Hopkins, of St. Johnsbury, Vt., a few years ago was confined in an asylum. He took a terrible cold while aiding in putting out a fire in a neighbor's burning house, and for twenty-five years that cold was slowly filling his blood with uric acid and finally the deadly work was done. The case looked hopeless but he happily used Warner's safe cure and recovered. That was three years ago and having ridden his blood of all surplus uric acid, he has remained well until this day.

It is indeed a terrible thing to lose one's mind, but it is a more terrible thing to suffer such a condition when it can be so easily prevented.

Belle Point.

Miss Ella Steele is recovering from her late sickness of malarial fever.

Judge Pence purchased several very fine Jersey cows in Louisville last Tuesday.

Miss Annie Crutcher, who has been so ill with malarial fever, is slowly improving.

That part of the turnpike which runs through Benson streets is sadly in need of repair.

Everybody seems delighted at the return of Mr. John W. Gaines and his estimable family to our town. The citizens think of tendering them a public gratuity.

W. L. Pence, the champion mill man of this place, has commenced the erection of a splendid new mill. He will use the hand saws, and everything connected with the establishment will be of the latest and most approved pattern. It is a big thing for Belle Point.

Messrs. Deakins and Lewis, members of the street committee, are having a substantial wharf built at the foot of Benson street. This is a much needed improvement. Not another river town, the size of Belle Point in Kentucky with a like improvement. Messrs. Fisher and Moore are the contractors.

What Can Be Done.

By trying again and keeping up courage many things seemingly impossible may be attained. Hundreds of hopeless cases of Kidney and Liver Complaint have been cured by Electric Bitters, after everything else had been tried in vain. So, don't think there is no cure for you, but try Electric Bitters. There is no medicine so safe, so pure, and so perfect a Blood Purifier. Electric Bitters will cure Dyspepsia, Diabetes and all Diseases of the Kidneys. Invaluable in affections of Stomach and Liver, and overcome all Urinary Difficulties. Large Bottles only 50 cts. at Jos. Leecompte's.

GEORGE A. LEWIS.

Editor and Publisher.

FRANKFORT, OCTOBER 17, 1885.

There were 7,800,000 pounds of freight received at the L. & N. depot in this city during the month of September.

Mr. Henry Freudenberg, of the firm of Freudenberg Bros., barbers on St. Clair street, left his shop Sunday morning about ten o'clock to go to his boarding house, and when walking along in front of the Capitol square, on Broadway, was taken with a violent hemorrhage from the lungs and fell to the sidewalk. He was taken up in an unconscious condition and carried across the street into the White Crook saloon, where he died in a few minutes. He was an exceedingly polite and accommodating young man, who had made a host of friends during the two years of his residence in this city. Early in the spring he was taken sick and went to the home of his parents in Louisville, where he was confined to the house until a few weeks ago, when he returned here and took his place in the shop with his brother, believing his health was fully restored. The remains were taken to Louisville Sunday afternoon for interment. On Thursday his father died in Louisville. Doubtless the sudden death of the son hastened that of the father.

Orange Blossoms.

The most notable social event of the season took place at the First Presbyterian Church Thursday evening. As early as eight o'clock on that evening the Church was crowded with the friends of Dr. Sam. Holmes, of the firm of Holmes & Halloran, druggists, and Miss Kittie Todd, daughter of Capt. H. I. Todd, to witness their marriage. The reading desk had been removed from the pulpit and the space was filled with beautiful foliage plants and autumn leaves tastefully arranged, and the Church was brilliantly illuminated. Prof. Wayland Graham presided at the organ and performed the beautiful wedding march, keeping time to the strains of which the bridal party entered the Church at 8 o'clock, in the following order: Up the left aisle—Dr. Alvin Duval, Messrs. James M. Todd, Jr., and John H. Stewart, ushers, followed by Dr. Sam. James and Miss Sadie Pugh, of Franklin Indiana; Mr. John W. Milam and Miss Mamie Scott, Mr. Sam. D. Johnson and Miss Nellie Dudley, Mr. Joe LeCompte and Miss Bessie Markham, Mr. Henry Murray and Miss Maria Lindsey, attendants. Up the right aisle: Messrs. Crittenden Todd, Fulton Gordon, of Louisville, and C. H. Belke, of Paducah, ushers, followed by Mr. Geo. D. Todd and Miss Rebecca Payne, of Elizabethtown, Mr. Webster Gaylay and Miss Mary Ely, Mr. Robert Barr, of Lexington, and Miss Lena Stewart, Mr. Henry F. Donagan, of Louisville, and Miss Rebecca Averill, Mr. Frank M. Halloran and Miss Bonnie Todd, attendants. When the attendants had reached the altar the bride and groom came up the right aisle and took position upon the platform in front of the officiating ministers when the attendants formed in two half circles about the altar, the ladies in front and the gentlemen to the rear. The happy young couple were then united in marriage by Rev. John W. Pugh, of Franklin, Indiana, brother-in-law of the bride, assisted by Rev. J. McC. Blayney, D. D., pastor of the Church. After the ceremony the party left the Church, the bride and groom by the left aisle and the attendants in the same order in which they came in, and repaired to the residence of the bride's parents, and after partaking of refreshments the newly wedded couple left on the C. & O. train, at 10:15 p. m., for a trip to Washington, New York and other Eastern cities, followed by the best wishes of a host of friends. The bride was attired in an elegant white satin dress with court train, the lady attendants in white, and the gentlemen in black evening dress suits.

The Masonic Grand Lodge meets in Louisville on Tuesday morning, the Grand Chapter Tuesday night, and the Grand Council on Thursday night of next week.

Miss Marie Hardie will be married Wednesday evening to Mr. Putnam, of Ashland, Mr. J. Andrew Cain and Miss Tenie McEwan will be married at the Methodist Church on the same evening, a young lady of this county will shortly wed a young gentleman from Tennessee, near Guthrie, and still there are more to follow.

One of the handsomest watchmaker's signs ever put up in this city has just been hung out by Mr. Phil. Selbert in front of his establishment on St. Clair street. It represents a massive gold watch and has the name "P. Selbert" across the face, while just below are the words "the jeweler." It is a very pretty as well as showy sign.

We to-day announce as a candidate for County Clerk Mr. John W. Payne, an honest, hard working printer, a young man of energy and capacity; one who will discharge the duties of the position as he has every other position in life which he has been called upon to fill—honestly and faithfully. No man in Franklin county is more deserving of recognition by his party than John Payne, and but few men would make a better officer.

Mrs. Emma Berry Rodman, wife of Mr. Thos. Rodman, Jr., and second daughter of Mr. Hiram Berry, died at 2 o'clock Tuesday morning at the residence of her husband in South Frankfort, after an illness of nearly a year with catarrh of the throat and lungs. The funeral took place Wednesday afternoon from the Episcopal Church and was largely attended. Her afflicted husband and three children have the warmest sympathy of a large circle of friends.

The engine at the pumping station of the Water Company was started Saturday morning, but owing to the amount of air in the suction pipe the pumps would not take water. On Monday a steam feed pump was rigged up to supply the boilers and fill the suction pipe, and on Tuesday the first water was sent up the hill to the reservoir. After pumping for a short time into the south basin, the water was turned into the pipes, the South Frankfort system of mains filled up and washed out into the river through the first pipe at Herndon's wharf. When there was a water pressure upon the pipes of one hundred and ten pounds to the square inch, one of the fire hydrants was opened and without the use of hose a stream was thrown over a hundred feet. This morning at 10 o'clock the water will be turned into the pipes all over the city.

Bob Franklin is the happiest man in New Mexico. At the recent session of Court at Springer, in that Territory, he won his first case, and had as opposing counsel the District Attorney and Attorney General of the Territory. Having been appointed by the court to defend a Mexican charged with bigamy, and notwithstanding the fellow admitted his guilt to Bob, and both wives were to testify against him, he succeeded in getting him cleared and "knocked the stuff" out of the illustrious counsel for the prosecution on points of law. His host of friends here at the home of his childhood rejoiced at so auspicious a beginning of a career that can but be brilliant, and send their congratulations across the fourteen hundred miles of intervening space, knowing full well that he will do honor to his old Kentucky home wherever he may cast his lot.

Personal.

Mrs. John Morgan, of Lexington, is visiting relatives here. Mrs. Wicklife Chapman is visiting friends in Pennsylvania. Mr. Jas. K. O'Hara left yesterday for New Mexico to reside. Miss Nellie Dudley, of Louisville, is visiting friends in this city. Mr. Jas. Nicol left Tuesday morning for a visit to Peoria, Illinois. Mr. Colie Sneed, of Shelby County, visited friends in this city Wednesday. Mr. Geo. H. Watson returned Monday from a short visit to friends in St. Louis.

After the marriage at Mr. Harrod's the wedding pair, with the company present, repaired to the residence of Mr. Henry Harrod, about a mile away, to witness the marriage of his daughter, Miss Mary to Mr. Thomas H. Wagon, Mr. Kelly officiating. The brides are cousins. Mrs. Lewis has become a wife at a very tender age, but she has judgment and experience beyond her years, had charge of her father's home from the death of her mother until her father's second marriage.

Rev. G. F. Bagby is holding a protracted meeting at Bethel Baptist Church, near Peak's Mill.

The game law runs out Tuesday, the 20th inst., after which time all kinds of game can be hunted.

Judge Geo. C. Drane, of this city, is to-day announced as a candidate for Circuit Judge in this district. Having filled the position for two terms and made a record as an able and efficient officer, he needs no words of commendation at our hands.

Of the army of candidates for Jailer, Mr. John T. Waters is the liveliest and is making the most telling canvass. He is moving quietly, but he is surely bringing the boys over to his side. He is in the race to stay and don't you forget it.

"Over the Garden Wall," at the Opera House Tuesday evening was one of the most amusing performances given here in many a day. The Company was first-class, the piece was well put upon the stage, and Snitz and Bridget would make a tombstone smile. It was immense.

George Parrie, alias McLaughlin, the circus train robber who was captured at Lafayette, Indiana, and brought here, was brought before Judge Sneed and Squire Clark Saturday afternoon for an examining trial, but waived an examination and was held over to the Circuit Court.

The ladies of the Methodist Church will open an exchange for the benefit of the Church to-day, at the grocery of Mr. H. R. Williams. From 12 m. to 8 p. m. they will offer for sale cakes, bread, pies, puddings, &c. They ask a liberal patronage. If they meet with sufficient encouragement they hope to open a Ladies' Exchange, such as common in many other cities.

A quiet little thumping match took place in front of Shackelford's saloon, on St. Clair street, about 8 o'clock Tuesday evening. Without noise, or talking loud enough to be heard across the street, two men fell out and began punnelling each other. After a number of blows had passed friends separated them, the little crowd that had gathered melted away, and everything was still in a moment. It was such a noiseless fight that a policeman a half block away on the same street knew nothing about it.

Notice to Water Consumers.

Water from Sayre Hill Reservoir will be turned into the main distributing, and service pipes, in North Frankfort, at 10 o'clock, A. M., October 17th, 1885.

The people are hereby notified of this fact, and their attention called to Rule 2, of the Water Company, so that they may be prepared for any accidents or bursts in their pipes and water fixtures which may be occasioned by the higher pressure to which they will be subjected from Sayre Hill Reservoir.

Rule 2, referred to above, reads as follows:

"Stop-cock—There shall be a stop-cock in every attachment on the sidewalk just inside of the curbstone, which stop-cock and its box will be supplied by the Water Company, and shall be for its use and under its exclusive control. The Water Company will not be responsible for damages to buildings or their contents from any break beyond the street main, and water consumers are therefore advised, for their own protection, to provide at their own expense another stop-cock at the first suitable point beyond the stop-cock of the Water Company."
